Interesting he would say protest rally when we've been debating which one it would be.

He can't say protest. But he has has rallies. If ..6th-ers protest with as many people that are coming as BLM and Antifa have, the place will burn.

He's started calling his rallies "peaceful protests" ever since the burning and looting were called "protests" to justify ignoring the COVID restrictions.

Inb4 qtard etc.

The proper time stamp would be a very logical explanation unless it was deleted by accident

Why did they delete the first one? Suppression? Don't want millions of people showing up?

There are underground tunnels linking many of the buildings. We have to surround them all.

"Locational" is not a word.

What's up with all the grammar errors?
